TYA's organisation

TYA has approximately 17.000 associated companies from the transport sector.

Some 100.000 employees are covered in total.

Member companies are found in different sectors such as haulage, terminal, waste collection, oil transports, oil companies, petrol stations, tire service shops, taxi, port & stevedoring.

TYA administers the activities of 37 regional safety officers from the Swedish Transport Workers' Union.

Financing

TYA is financed by levies from the member companies and by subsidies along with profits from sales.
